Recommendation Letter

To whom it may concern

Date: 31 Oct 2021

Dear Sir,

this is to confirm that Smart Projects Construction Company have worked with Dramix® steel fiber produced by Bekaert in slab on grade applications including: concreting, casting, troweling, and finishing according to Bekaert standards and method statement in the following project:

1. Technip FMC
2. Saudi Diesel Equipment
3. Gulf Specialized Works
4. Saudi Cement Company
5. Najem Aba Hussain
6. Bureau Veritas

Bekaert Emirates LLC would like to recommend Smart Projects Construction Company for Steel Fibers Reinforced Concrete "SFRC" slab on grade works.

They have had a remarkable experience working with SFRC slab on grade in several projects hence; they are one of Bekaert recommended contractors.

This letter has been given upon contractor request without any liabilities to Bekaert Emirates LLC.

Best Regards;
Saed Mattar
